Price List

Edgar W. Ela

Dahlia Grower

WOBURN, MASS.

The prices quoted in this list are for strong field-grown roots of first-size, guaranteed to be alive, and true to name.

PRICES OF FIRST-SIZE AND SECOND-SIZE ROOTS

In comparing prices, remember that prices quoted in this list are for *field-grown roots, not plants*.

The following schedule shows the relative difference between prices of first- and second-size roots. The prices quoted above the line are for first-size roots and those directly beneath are for second-size roots of the same variety :

15 cents	20 cents	25 cents	30 cents	35 cents	50 cents	60 cents	75 cents	\$1 00	\$1.50
10 cents	15 cents	18 cents	20 cents	25 cents	35 cents	40 cents	50 cents	75 cents	\$1.00

In order to avoid needless repetition, the prices of first-size roots only are quoted in the following pages. Customers desiring second-size roots have only to consult above schedule.

The prices quoted in this List are for cash with order, and include free delivery only when orders are accompanied by cash or received before shipment, and made up at the **regular list prices**. When cash is received with order, the dozen rate of each variety will be only ten times the price of a single root; any six varieties at the dozen rate.

Special prices quoted on collections of one hundred or more. When the selection is left entirely to me, orders for any class, will be filled at a very liberal discount from list prices

Always give the name of express, if any, as well as post office, which leaves it optional to ship prepaid shipments as circumstances may demand.

Remittances. Make remittances by Post-office or Express Money Order, Registered Letter or Bank Draft. Stamps (one- and two-cent) in amounts less than one dollar accepted as cash.

Terms. Cash with order or before shipment except from customers of approved credit.
